

Evaluation

SPS Research Open Call 2026

This anonymous evaluation will be provided to the project's leader.

Your reviews will be indispensable in helping us to rank the proposals, so
- please attribute outstanding scores very sparingly,
- please provide a short justification for each score you attribute.

Acronym of the project:

Evaluate the project according to the following questions.

For each question, you will have to give a score to the project from 0 to 20:

0 = The criterion is not met at all ; 10 = Average ; 20 = Outstanding
